is about to be adjusted. In view of the heavy call on the funds of this important temple, it is stated that it is very difficult to adjust the arrears of Contribution for the years 1926-27 to 1929-30, in addition to the Contribution for the years subsequent to 1930. Why the reported adjustment has made from the year 1929-30 and not from 1926-27 from which it was due, is not clear.

2 The M.C recommends that the levy of Contribution may as a special case be allowed to count from 1929-30 instead of 1926-27.

3 Reference is invited to pages 284-291 of the Mysore Manual (1934) which contain the Govt orders on the subject.

4 The recommendation of the D.C. that the levy of Contribution in the case of Sri Narayanaswami Temple at Melkote may be permitted to count from 29-30 instead of 1926-27, supported by the M.C. may be sanctioned in the circumstances explained.

OFFICE OF THE MUZRAI COMMISSIONER,
IN MYSORE,

To

R. Ranga Rao, Esq., B.A., B.L.,
Chief *Secretary to the Government of His Highness*
the Maharaja of Mysore,

Bangalore. Department.

SIR,

Contribution to the Muzrai Establishment Fund from the Sri Narayanaswami Temple at Melkote.

I have the honor to state that the contribution due to the Muzrai Establishment Fund from the Sri Narayanaswami Temple at Melkote at Rs.1078/- a year was in arrears from 1926-27 as the temple had a debit balance. It is only in the year 1933-34 after the revision of the scale of Sevartha Fees and the Rules for the distribution of Sthalavasa and Bhatmanya allowances that the temple was able to wipe out the debit and show a little surplus. Out of this, the contribution payable for the years 1929-30 and 1930-31 has been adjusted and action is being taken to adjust the amount due for 1931-32 to 1933-34. In view of the heavy calls on the funds of this important temple, it is very difficult to adjust the arrears prior to 1929-30 in addition to the contribution for the years subsequent to 1930-31. The Deputy Commissioner, therefore, recommends that the levy of contribution may, in the case of this institution, be permitted to count from 1929-30 instead of 1926-27 (vide copy of letter enclosed).

I request that sanction of Government may be obtained to the above recommendation, as a special case.

I have the honor to be,
Sir,
Your most obedient servant,

N. Madhava Rao
Muzrai Commissioner.

Letter No.H.80/33 dated 13-9-34 from the Deputy Commissioner, Mysore District, to the Muzrai Commissioner in Mysore.

Arrears of Muzrai Establishment contribution - Sri Narayanaswami temple - Melkote - adjustment of.

With reference to your letter No.31/31-32 dated 25/27th June 1934 on the above subject, I have the honor to state that the Amildar of Seringapatam Taluk reports that out of the cash balance of R 3740-6-7 available at the credit of the temple on 1st July 1934 he has adjusted a sum of R 1078/- towards the establishment contribution for 1930-31 after earmarking the amount required to pay the marginally noted special works which were got done in connection with the visit of His Highness the Maharaja to the temple on the occasion of the last Vairamudi utsavam.

1. Repairs to the flooring of the temple.
2. Supply of 14 sets of khaki uniforms to the temple sepoys.
3. Installing electric lights to the temple.

2. The contributions for 1929-30 and 1930-31 have been adjusted till now, and that due for the subsequent years (1931-32 to 1933-34) will be adjusted during the course of the current year after knowing the exact surplus amount of the temple. As regards the contribution due for the previous years 1926-27 to 1928-29, the Amildar reports that on account of the limited finances of the institution, the levy of establishment contribution may be permitted to count from 1929-30 instead of 1926-27.

3. With the greatest economy in expenditure, the temple has managed to adjust the contribution for 1929-30 and 1930-31 and further savings to be made will have to be adjusted towards the contribution for 1931-32, 1932-33 and 1933-34. Under these circumstances, I request that the levy of contribution may be kindly permitted to count from 1929-30 as recommended by the Amildar.

4. The connected papers are submitted herewith.
